

**Whitland Area Neighborhood Association (WANA)**  
2018 Re-Leaf Whitland Neighborhood Tree Planting Drive

**How it works:** Fill out the form below. Return it to Kevin Stack via email ([kevin.stack@vanderbilt.edu](mailto:kevin.stack@vanderbilt.edu)) **by December 15, 2018**. Kevin will arrange for Mike Ridings of Lawscapes to contact you to install your tree(s) a next few weeks. For all trees planted within 20 feet of the sidewalk, WANA will write you a check for \$50.00 per tree. It is that simple! Step-by-step instructions below.

Name:	Street Address:
Preferred email:	Preferred Phone:
Total Number of Trees Ordered:	Grand Total: \$

**All trees are 2 inch caliber ( 2" trunk diameter), which is 8-10 foot tree for most types**

Tree Type	Native?	Drought Resistant?	Edible Fruit?	Mature size (height & spread); NES under power-line approved, noted "NES"	Link to photo and description of growth rate	Cost in \$ (includes install and mulch)	# of Trees	Total \$

### Step-by-Step Instructions

1. Select your trees! Please bear in mind the mature heights for trees planted under utility lines. Select as many trees as you want. **For trees within 20 feet of the sidewalk, WANA will offset your cost at \$50.00 per tree!**
2. Clearly mark your tree locations with a stake or flag.
3. Call TN One Call: 811, a free service to notify utility companies to mark any buried lines so you can dig safely around them. Neither the installer nor WANA is responsible for underground utility or irrigation systems.
4. Email your order on this form to Kevin Stack [kevin.stack@vanderbilt.edu](mailto:kevin.stack@vanderbilt.edu) by December 15, 2018, providing your name, phone, address, and email address. Kevin's cell is (615) 686-0689 if you have questions. Once all orders are in, Kevin will place the neighborhood order with Mike Ridings, cell: (615) 300-3533, Lawnsapes, <http://lawnsapenashville.net/>, office: (615) 254-1820.
5. Mike Ridings will contact you regarding the timing of the installation of your new tree(s).
6. Once your trees are installed, send your name, receipt, and address to Bob Glenn, Treasurer, WANA, to [re.glenn@yahoo.com](mailto:re.glenn@yahoo.com) or 211 Leonard Ave., Nashville, TN 37205. For trees planted within 20 feet of the sidewalk, Bob will send you \$50.00 per tree on behalf of WANA.
7. Finally, don't forget to register your new trees with **Root Nashville**: <https://pg-cloud.com/NashvilleTN/> to add it to the Nashville Tree Map.
8. Enjoy seeing your trees grow – and Whitland Re-Leafed!
