

**Whitland Area Neighborhood Association
Steering Committee Meeting
Home of Gail Wales
10 November 2011**

In attendance: Bob Lyons, Kevin Stack, Denise Hawkins, Mike & Gail Wales

The minutes for the October Steering Committee Meeting were read & approved.

A Treasurer's report was given in Lorrie's absence: There is \$17,677.85 in the regular checking a/c, \$2,000 in the Home Tour a/c, and \$8,208.41 in the Certificate of Deposit.

We had a little discussion about the rain garden plans so that Gail and Mike could get the general concept of the plans that Mark Thomas drew up for us to consider. We discussed doing some of the work maybe on the May 2012 creek clean-up event.

We set the date for the Annual Meeting as 23 February 2012. Location will be the Fellowship Hall of Blakemore United Methodist Church at 6:30 PM. Announcements will be made via the Listserv, on the website and Whitland Facebook Page.

We discussed our future plans. It was determined that we would get more to volunteer in the neighborhood association if we assign specific tasks.

Denise mentioned that during last year's Home Tour, the good neighbor award was overlooked and it was a tradition she would like for the neighborhood to continue. She offered that two individuals should be recognized at the February 2012 Annual Meeting to make up for 2010 and 2011

We also discussed preparing a meal for the Fire Hall even though we did not have the Home Tour this year. It would be a nice gesture to do. I believe Bob was going to check on when might be a good time for us to do this meal for them.

The next Steering Committee meeting in December will be held at Lorrie & Bill Patterson's home.

Meeting Adjourned ☺

WHITLAND AREA NEIGHBORHOOD ASSOCIATION
STEERING COMMITTEE MINUTES
December 08, 2011

Call to Order: 7:15 PM by Bob Lyons, President.
